ART SYLLABUS

CLASS -1

ABCD BOOK BY MILLENIUM

Class 1

Art Syllabus

Guiding Principles for Class 1 Art:

- * Fun and Engaging: Art should be a joyful experience, encouraging creativity and exploration.
- * Process over Product: Focus on the act of creating rather than achieving perfect results.
- * Sensory Exploration: Incorporate a variety of materials and textures to stimulate senses.
- * Simple and Clear Instructions: Use visuals and demonstrations to guide students.
- * Positive Reinforcement: Encourage experimentation and celebrate every child's unique expression.

This structure provides a balanced curriculum for Class 1, ensuring a fun and educational introduction to the world of art.

and keeping in mind the developmental stage of young learners:

Class 1 Drawing Topics

General Guidelines:

- * Keep it Simple: Focus on basic shapes, lines, and colors.
- * Clear Instructions: Use simple, direct language.
- * Time Limit: Allocate sufficient time for young learners to complete their drawings.
- * Emphasis on Participation and Effort: Encourage creativity and participation over perfect results.

Topics:

Term 1

- * Lines and Shapes (Based on "Fun with Lines" & "Fun with Shapes"):
 - * Task: Draw a picture using at least three different types of lines (straight, curved, zig-zag) and three basic shapes (circle, square, triangle).
 - * Example: A house with a triangle roof, square walls, and a circular sun, using various lines for grass and clouds.
- * Patterns (Based on "Pattern in Nature"):
 - * Task: Create a simple pattern using shapes or lines.
 - * Example: A pattern of alternating circles and squares, or stripes of different colors.

* Drawing a Face (Based on "Emoticons"):

* Task: Draw a face with a happy or sad expression.

* Example: A simple circle face with eyes, nose, and mouth showing a smile or frown.

* Composition (Based on "Composition - Festival - Diwali"):

* Task: Draw a simple scene related to Diwali, including at least three elements.

* Example: Diyas (lamps), rangoli patterns, and simple fireworks.

*Composition: -

Season-Spring, Festival-Diwali, Park

Term 2

* Connecting the Dots (Based on "Connecting the Dots"):

* Task: Complete a provided connect-the-dot picture.

* Example: A simple connect-the-dot picture of a star or a fish.

* Drawing in a Grid (Based on "Drawing in a Grid"):

* Task: Copy a simple shape or image onto a provided grid.

* Example: A simple square or triangle drawn on a small grid, which students copy onto a larger grid.

*Semi -realistic figure: - Humans, Animals, Vehicles

*Composition: -

Farm, Story, Birthday party, Bus on the road

Assessment Criteria (Simplified):

* Effort and Participation: Did the student try their best?

* Use of Basic Shapes and Lines: Did the student incorporate the requested elements?

* Coloring: Did the student use colors appropriately?

* Following Instructions: Did the student understand and follow the given instructions?

Important Considerations:

* Provide Visual Aids: Show examples of the types of drawings expected.

- * Encourage Creativity: Allow students to add their own details and ideas.
- * Make it Fun: Keep the atmosphere relaxed and encouraging.

This exam structure aims to assess basic drawing skills while keeping the experience positive and engaging for young learners.
